The Elections and Boundaries Department is pleased to inform the public that the 2018 Re-registration of Electors Exercise continues to proceed on target.

A Preliminary Report on the exercise is hereby provided as follows for the period **2nd to 7th July 2018**:

Registration Centers were opened to the public effective 2nd July 2018 in all thirty-one (31) electoral divisions countrywide to facilitate the acceptance of applications for the registration of electors.

During the period, a total of **sixteen thousand, six hundred and seventy (16,670)** applications have been accepted.

The Department assures the public that all efforts are being made to address the concerns regarding the re-registration process with the aim of making it more efficient and effective in the service delivery.
